

Sunday School Attendance Policy

Zion Board of Education policy regarding unfaithful attendance at Sunday School.

It is strongly encouraged that faithful attendance at Sunday School be an attitude that we, parents and church family, wish to instill in our children. When a family's attendance at church and Sunday School begins to falter our church family, specifically Zion's Board of Education, would like to be of immediate help with encouragement, admonishment, or whatever is necessary, before the problem gets worse. It is hoped that throughout this procedure the family will be lovingly encouraged toward regular attendance at church and Sunday School. The family will be made aware of the importance of regular attendance at church and Sunday School.

To that end, Zion's Board of Education has set up a plan of action to help, encourage and admonish our families in their effort to be faithful in attending church and Sunday School. Should a family miss:

- | | |
|--------------|--|
| Two weeks- | Contact will be made to lovingly remind and encourage attendance at church and Sunday School. |
| Three weeks- | The family will be contacted by the Sunday School teacher to find out what the problem may be and to encourage faithful attendance at church and Sunday School. |
| Four weeks- | In the event that a family misses four weeks in a row a member of Zion's Board of Education will contact the family, again to find out if there is a problem and to encourage faithful attendance at church and Sunday School. |
| Six Weeks- | After six weeks of not attending church and Sunday School the Board of Education feels compelled to send a member to visit the family to help them overcome their difficulties. |
| Seven Weeks- | The family will be asked to meet with the full Board of Education at church. |
